“a pilgrim people,
always on the way
towards a
promised goal”

One thing is for sure!: the certainty of change.

There are very few things which are unchanging. Death and taxes are apparently all we can rely on!

That, and the changeability of change itself. It feels like there is very little for us to hold on to. The world appears to be quite different from the one we knew in the past and the rate of change is escalating at an unbelievable rate. There is a saying something about the fact that we are trying now to educate children to do jobs which are not in existence yet.

It is tempting in the face of such rapid change to just hold on tight to everything we have, to just shut down and close the shutters. This is happening all over the world in a political sense as people find themselves fearful of all that they do not know or understand. It is very tempting from a church perspective to do exactly that. How vastly different does church look now to how it did 40 years ago as the three traditions became the Uniting Church, the first truly Australian church? How proud I am of those who walked this unknown path and bravely risked what they had known in the past for what they could become in the future. What courage! They did this in order to leave the church in a good place for those of us coming after. I pray God that we are committed to this same end. God grant us the courage to seek the vision of a renewed church for our children.

We are faced with these same choices and really the grief and anguish associated with such huge change makes it feel as though it isn't worth it. But we know that this is after all the nature of faith. To step into the unknown having prayed and discerned the way forward. This is what those in the time of Uniting did, and it is also what our Partnership has done. We have seen God at work in and through people who have been prepared to be vulnerable. We have taken the risk and pulled up sleeves. Instead of bemoaning what appears to be church decline we have recognised that the church is not ours. It belongs to Jesus, and the Spirit of God continues to move through our churches and in reaching outward. The Spirit calls us into our communities to minister to others, especially the poor and marginalised.

How encouraging it is to see others decide that, rather than hide away in their fear, they will write a new story, a new narrative of peace and hope and grace in what surely is a deeply hurting world. So let us hold onto those verses in Scripture which call us not to be afraid. Despite our grief at our perceived loss, let us continue as good and faithful servants of the church. Let us draw together to "midwife" the birth of new and refreshing incarnations and expressions of church.

Seems that there is really quite a lot we can rely on, and God is faithful and steadfast in every

moment, every situation.

And so in the words of the modern 'prophet' Michael Leunig.....

God help us to change. To change
ourselves and to change our world.
To know the need for it. To deal with
the pain of it. To feel the joy of it.
To undertake the journey without
understanding the destination.
The art of gentle revolution.

AMEN.

Notes

The Bible Study sessions are open to anyone. Following the study time, worship leaders are encouraged to stay to discuss the coming services, particularly the one related to the Bible study material. Worship leader for these services are strongly encouraged to come along, either to share their ideas with others or be assisted with their service development.

Peter is seeking response from those who have attended the Bible Study and worship preparation sessions. He would like to know how it can be improved, made more accessible and useful. Likewise how could you be assisted better? If you haven't attended, how can you be supported better in your leadership and preparation of worship? Some people have not attended sessions but sought individual conversations with Peter so he is aware there are several ways resourcing can be provided.

Baptism

Gisborne UC was very happy to welcome Brad and Tyler Wright for baptism on Sunday 18th June. Their parents Stacey and Jason were supported by a large group of family and friends, who came to the celebration at the church. There was a lovely buzz of activity in the church as the children who were there made cards to present to Brad and Tyler. Glitter abounded!

Church members were made very welcome at the Wright's home for a celebration lunch (complete with two spectacular cakes!) with their family and friends.

We are very grateful for these new members of our church family, and it has been a pleasure to get to know them over the last few months. We look forward to sharing the journey of faith with them into the future

National Conference of Lay Preachers Friday 7th - Monday 10th July

The National Conference of Lay Preachers is on this month at the Unitarian Church Centre for Theology and Ministry (CTM) at Parkville, Melbourne. This conference only happens every 3 years and cycles around the Synods so it will be many years before it will be in Victoria again.

There seems to have been some misunderstandings. It is not just for accredited lay preachers and neither do you need to attend the whole conference. Anyone who participates in leading worship in any way or who would like to consider doing so is welcome to attend. Likewise you can book to attend only those days that suit. The program looks fantastic so check it out and consider going.

**ONE CHILD
ONE HOUR
ONE CHURCH
ONE SCHOOL**

HOTRock Church is planning to partner with Kids Hope Aus and is holding an information evening on the program. Anyone who is interested in finding out more about this program, or would like to become involved, is most welcome to attend.

Where : HOTRock Church, 247 Station Rd, New Gisborne.

When : 13th July 2017 at 7pm.

Below is a short introduction to Kids Aus and the program they run :

KIDS HOPE AUS

KIDS HOPE AUS is Australia's largest early intervention, school-based mentoring program. It has been impacting the lives of children in Australian schools since 2004. Over that time thousands of disadvantaged children have been matched with mentors in primary schools.

HOW DOES IT WORK?

KIDS HOPE AUS is a program that connects a local Church with a local primary school to invest in the development and transformation of vulnerable children through the power of one-to-one mentoring. If your Church wants to reach out and make a difference in the lives of children in your community and develop a win/win partnership with a local school, then KIDS HOPE AUS can provide a program that meets that need. We provide a unique opportunity for your congregation, both young and old, to engage in life changing relationships with children who just need a friend and the love of a caring adult.

WHY IS IT NEEDED?

Young children all across Australia are experiencing life and family situations that are causing stresses and challenges like never before. Many children need extra support and assistance to get a good start in school and life due to circumstances often beyond their control. Schools are often struggling to meet the needs of these more vulnerable children too, and are stretched or restrained to be able to offer the care and assistance these children need.

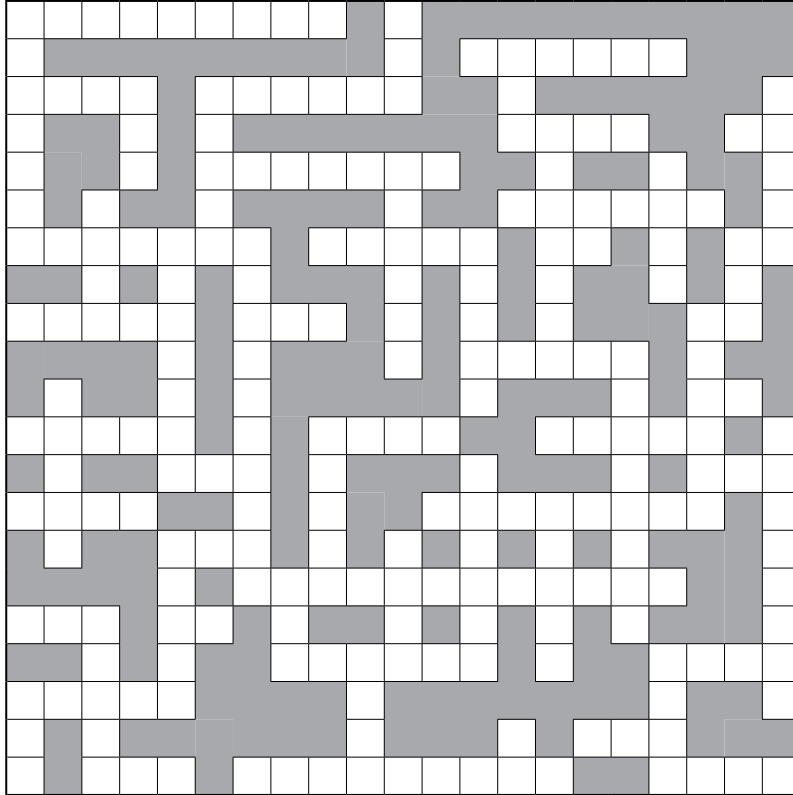

WHY DOES IT SUCCEED?

KIDS HOPE AUS is a successful program that has been constantly growing, improving and impacting these mentored children right across Australia for over 10 years. Our key focus and model is simply communicated with our motto: One Child, One Hour, One Church, One School. With mentors spending only one hour per week with their 'mentee child', it is proven that the children are showing developmental improvement in areas such as emotional, academic and social behaviours, which is truly making a difference in the lives of these precious children.

Sunday 16 – Jacob at Bethel - Wordfit

Genesis 28:10-19a

This puzzle was created using the New Revised Standard Version from the above reading from Genesis. To complete this puzzle you will first need to read the bible passage. Next use the clues at the bottom of the page to complete the wordlist. (If you are using a different version to NRSV you will need to check the answers to the wordlist as some of the words differ between versions.) Once you have a complete list you will then need to work out how to fit the words into the grid like a crossword. (Hint - find the longest words and spaces and start with them.)

Ordinary Sundays after Pentecost
 A period of time that varies in length depending on whether Easter is early or late. In this period, the Church recalls its faith in the Holy Trinity. It seeks to relate its faith as a people of God to Christ's mission in the world. It commences with Trinity Sunday and concludes with the feast of Christ the King.
